---

At Unico Media Studio, we specialise in producing high-quality, personality-driven video podcasts designed for creators, professionals, and brands. Whether you're launching a new show, growing your personal brand or looking to connect with your audience in a fresh way, our flexible podcast packages are built to suit a variety of goals and budgets.

Every session includes access to our customisable set, professional lighting and support from our in-house team. Depending on the package, you'll receive either high-quality raw recordings within 24–48 hours, or fully edited, polished episodes complete with branded graphics and intro/outro integration within 7 business days..

# Optional Add-ons

|                                                  |             |
|--------------------------------------------------|-------------|
| On-location/lifestyle B-roll shooting (Per hour) | <b>£150</b> |
| Incorporation of client's own footage            | <b>£100</b> |
| Subtitles & captions integration                 | <b>£50</b>  |
| Branded End Card                                 | <b>£50</b>  |
| Teleprompter Setup                               | <b>£100</b> |
| Rush Delivery (within 72 hours)                  | <b>£50</b>  |

All sessions include full usage rights for personal and professional use (e.g. social media or websites). Additional licensing for commercial campaigns or advertising is available upon request.

A non-refundable 50% deposit will be required to secure your booking, although this is capped at £100 for service costs exceeding £200.

Final production turnaround is typically within 7 business days, with rush options available.

If you're unsure which package best suits your goals, our team is happy to advise you during a free consultation or booking call.
